August 27, 1991

Ash Grove Cement West, Inc.
3801 E. Marginal Way S.
Seattle, WA. 98058

Attention: Ken Rone
Reference: Salvage from Cyclonaire Demolition Job
Subject: Robinson Radio Control Unit

Dear Ken,

We submit herewith an agreement, for the sale of, or barter of services or salvage, equal to the value of the Robinson Radio Control Unit, which R.W. Rhine, Inc. has and the two hand held control units, which Ash Grove Cement West did not return to us upon completion of the Cyclonaire Demolition Job.

The items mentioned herein shall be delivered to Ash Grove Cement West upon receipt of a signed copy of this agreement, with in 5 working days.

Robinson Radio Control Box
Model #15-1536-1534 (In R.W. Rhines' Possession)
And 2 Hand Held Control Units
(Already in Ash Grove's Possession)

TOTAL DUE:

\$12,500.00

Page (1 of 2)

USEPA SF

1261721

AGC2E000415

The total due can be paid as follows. Cash, Swap of an equal amount of salvage or services. Salvage to be examined by Ken Rone of Ash Grove Cement West and Wes Johnson of R.W. Rhine, to determine if salvage is usable by R.W. Rhine and to agree upon value of said salvage. All service offers to be examined by Chris Christich of R.W. Rhine.

Total Due to be paid in full or bartering completed by March 1, 1992 or 1.5% monthly interest fee will be assessed until balance is paid in full.

Hopefully, the foregoing will be satisfactory. Should you need further assistance, please contact the undersigned.

Sincerely,

A handwritten signature in cursive script, appearing to read "Wesley M. Johnson".
